Title: The Church of Odin

Author: Odir  
-----

The Church of Odin is an organization created to worship the Norse Gods. Odin, Thor, Tyr, Freya, Loki, and Baldur are but merely a few of the Norse Gods we worship. We will hold services in dedication to these Gods where we will tell the stories of the Gods and preach the word of Odin.

You may have a few questions now, let this book try to answer a few:

Q1) What does the Church plan to do besides conducting Norse sermons?

A1) The Church hopes to all of Britannia, opening Churches to provide for all people. We also wish to open a tavern for the weary Vikings to rest their feet and drink a little mead!

Q2) Will this be a role-playing guild?

A2) The Church of Odin will not be an Around-the-Clock RP guild. However the Church plans to have many RP events throughout the year. (The church sermons will be one of those events, many are already in planning.)

Q3) When will sermons be held?

A3) Currently  
sermons are planned  
to be held at 8pm EST  
on Wednesday of  
every week, starting  
12/13/00.
